

Remote Learning Expectations

- Please remember that your student will be responsible for all work assigned to them during remote learning days
- If you have concerns that you would like to work out ahead of time, please reach out to me. This is new and we are working through it together.
- I will be checking in with each parent once throughout the day. I will contact them via phone, facebook messenger, or text message.
- Please be sure to send back all work to ensure your student gets credit for what they accomplished.

Brain Break Ideas for Kindergarten

They love to get their bodies moving! Some of their favorite movement songs are on youtube.

Top 5 songs that they ABSOLUTELY LOVE!!

1. Shake your Sillies Out
2. Animal dance and freeze
3. The floor is LAVA
4. Koo Koo Kangaroo- Dinosaur stomp
5. Listen and Move (they call it the snake one)
