

2019 MTS Summer School Camp

Posoh Family:

Tribal School is pleased to be offering students the opportunity to participate in fun filled learning opportunities through our 2019 “MTS Summer Camp” themed summer school program!

This year, we are pleased to announce our summer school will now be four weeks. Our program is split into 2 sessions. The first session begins June 17th through June 28th. There is a week break for families to celebrate the 4th of July holiday. Session 2 is July 8th through July 19th. Summer school camp is open to students who are enrolled at MTS and are presently in grades K-8.

Our JUMPSTART program is a four-week program from Monday to Friday *for students who will be entering Tribal School’s Kindergarten in the fall*. All incoming Kindergarteners must be 5 years old by September 1, 2019 in order to be eligible for the fall start date. This is a great program to get your child acquainted with Menominee Tribal School and their teacher for the regular school year.

Activities in Reading & Writing, Math & Science, Menominee Language and culture, Arts & Music and Outdoor Skills will be provided in a relaxed hands-on learning environment that will be centered on this year’s camping theme along with Friday field trips. A nutritious light breakfast and lunch will also be served.

Fridays are reserved for field trips. Our field trips are educational as well as super fun.

Space is limited to 20 students per class so sign-up early! All you need to do is complete the attached registration sheet, fill out the Field Trip Permission section and send it back to school though the mail, email or can be dropped off to the school office. Please fill out a separate application for each child. Once we receive your registration, you will receive back an acceptance notice verifying your child’s acceptance. The following are scheduled dates and times:
