Things to Do on a Remote Learning Day

1. Play outside if you can for Gym Class!
2. Read stories for your reading log.
3. Write a story about what you did on your remote learning day.
4. Go on a device and go on iready. Your student's Username and password is on this form. Do at least 20 minutes of math and 20 minutes of reading.
5. Don't forget to take breaks in-between and have fun!

MTS MIssion Statement

The Menominee Tribal School is a family, community based K-8 Bureau of Indian Education School. The school integrates academics with Menominee Language & Culture through the teachings of the Seven Grandfathers, to promote academics and behavioral success.

MTS Vision Statement

Menominee Tribal School guides students and families to nurture lifelong learning, driven by Menominee Language & Culture to embrace their responsibility to themselves, their communities and the Menominee Nation.

At Menominee Tribal School, we pride ourselves on working with families to foster a love of learning in our students. With a staff of devoted and caring teachers and small class sizes, our mission is to see that our students make strong gains in academics and have the social skill set to be successful in today's world. School can be challenging at times for students so we work on many Growth Mindset practices to build students' confidence in themselves to take on difficult tasks.
The cornerstone to our program is the integration of Menominee Language and Culture into our core teaching methods. Students learn tradition teachings, appreciation and use of the language, and the Seven Grandfather teachings.

Our Iready program has a Math and Reading Component. Most first graders can log in when they can see their username and password.
